With great pleasure we want to invite you to placid Munich, Germany, for the 5th and last CHEMORES Consortium Meeting! The university hospital **Klinikum rechts der Isar** (on the right hand side of the river Isar) serves Munich and the world with a highly skilled team of dedicated doctors, nurses, research scientists, and technical assistants. The meeting will focus on the latest updates and challenges during the fifth year of the CHEMORES project. While the total number of publications reached 173, the last year is inevitably the most exciting time to combine all our insights and efforts for the future solution of chemoresistance!

We are looking forward to welcoming you in Munich!

CHEMORES Project Coordinator, Johan Hansson
Local Organizing Chair, Manfred Schmitt
